

gg::GgQuaternion::getMatrix

```
graph LR; A[gg::GgQuaternion::getMatrix] --> B[gg::GgQuaternion::getMatrix]; B --> B;
```

The diagram consists of two rectangular boxes. The left box is filled with a dark gray color and contains the text 'gg::GgQuaternion::getMatrix'. A straight blue arrow points from the right side of this box to the left side of the right box. The right box is white with a thin black border and also contains the text 'gg::GgQuaternion::getMatrix'. A curved blue arrow starts from the top of the right box and points back to the top of the same box, indicating a self-loop or recursive call.
