

gg::ggLoadShader

```
graph LR; A[gg::ggLoadShader] --> B[gg::ggLoadShader]; B --> C[gg::ggCreateShader]
```

The diagram illustrates a three-step process flow. It begins with a gray rectangular box containing the text 'gg::ggLoadShader'. A blue arrow points from this box to a white rectangular box, also containing 'gg::ggLoadShader'. A second blue arrow points from this white box to a final white rectangular box containing 'gg::ggCreateShader'. All boxes have a thin black border.
